

## P268 Trapped

I recognize the location here, Mike's boathouse down by the pond. He did a similar shot with Mica, where she was all balled up in this corner of the shed. Here, he's got Cathy pressed upright into the corner, terrified. Through the window we see the famous, stalking mask of horror we're all familiar with.

I particularly love how considerate Catherine's outfit is. How sexy is THAT dress when hit with a flash? ... Every perfect inch of her body underneath rendered visible, from her punitive little panties to the full disclosure of bralessness.

A treasure of femininity.
